Do you know when you, or a member of your family, will need to use NHS services?

Local people deserve good NHS services. It is important that we have NHS community and specialist services that are the best they can be and that meet local needs – so any of us would feel happy using them.

Why don't you join us?

With **all of us** in mind.

About us

We are a Foundation Trust - an NHS organisation that is based around membership. This helps us work closely with local people to plan and deliver services that benefit our communities.

About membership

Membership is free. You don't need any special skills or experience to be a member. You just need to be interested in NHS services and the people we care for. As a member you can:

- Have a say in the future of your local NHS
- Learn more about wellbeing and enrich your understanding of health issues
- Get information about the Trust and its work
- Elect local people to represent your views on our Members' Council or stand for election yourself

What do members do?

You can decide how little or how much you want to be involved; it's entirely up to you. For example you might want to:

- Receive a membership pack and the Trust magazine
- Be invited to meetings and events that interest you
- Be actively involved, learn about the Members' Council and consider standing for election
